## SUPPLEMENTAL AMENDMENT

It is respectfully requested of the Commissioner that this Supplemental Amendment be entered in the above case. Its purpose is to rectify errors in the text and drawings and where applicable, to clarify the disclosure.

In preparing this amendment, the applicant attests and warrants that <u>no new material</u> <u>has been added</u>. The applicant has corrected the title page to list prior cases as abondoned, and increased font size to 12 point, as requested by the examiner, and added line numbering. All changes to drawings and text submitted herein are solely for the purposes of clarification or to correct grammatical and other errors, including incorrect Figure numbers, missing or incorrect feature identifier numbers, etc.

The changes which follow on the next sheet are identical to those made on 24<sup>th</sup> April 2006 in the parallel application 08 / 477 704 (subsequently allowed and issued as patent 7 117 827).

Please debit my patent office deposit account number 501 334 if any fees should be due.
